**SUBJECT:**

DOCKET NO. 2010-132-W - Application of May River Water Company, Incorporated for Adjustment of Rates and Charges - Discuss this Matter with the Commission.

**COMMISSION ACTION:**

Move under Commission Regulation 103-804 T and various rulings of the South Carolina Supreme Court that we hold that the May River Plantation Owners' Association, Inc. (or "MRPOA") may not proceed as a party of record in this Docket without representation by an attorney. Further, the record does not support the argument that unnamed individual persons were somehow made parties to this case by the intervention motion of MRPOA, an incorporated entity. Therefore Mr. Chairman, I further move that we hold that the individual property owners' association members have not been made parties of record in this case, and that they will not therefore have the right of cross-examination. However, I also move that individual members of the Association and other members of the public may be heard by this Commission in the "public" portion of the hearing. If, for example, Mr. Highsmith appears at the hearing and wishes to adopt his written Association prefiled testimony as his own individual testimony to the extent of his personal knowledge as a member of the public, this Commission will consider it.
